Welcome to all new students:

I would like to extend a most sincere welcome to each and every one of you. I am sure you will find that college can provide you with numerous opportunities to learn and to have fun.

As new students, many of you will be asking yourselves, "Should I get involved with student organizations on campus?" Our answer is simply, please do. Your active participation can stimulate new life into existing student groups. Because you are new students you bring fresh ideas that enhance campus organizations and campus life in general.

Let us remember that our primary goal in life is to learn. Academics are very important; after all, that is the purpose for which you are here. But participation in outside interests is just as important in helping you to develop yourself to meet the needs and demands of today's society.

For many of you, these next four years will culminate a long successful academic career. Finish strong so that you may reflect proudly on your association with us, for we are confident that we will always cherish our association with you.

Life offers each of us a multitude of opportunities, many of which we don't take advantage of. Please don't let the vast number of opportunities college provides pass you by. Become active and participate.

Warmest wishes for an outstanding college experience.

Sincerely,

*Jennifer C. J.*

## BLACK GREEK COUNCIL

The Black Greek Council of West Georgia College extends to you a hearty welcome to our campus. This is the beginning of many new and exciting experiences. The college experience provides an opportunity to prepare for a career, develop talents, meet new challenges, and develop your individuality.

Membership in a Greek letter organization enhances this growth by encouraging high ideals in scholarship, service, and leadership through the acceptance of responsibility associated with group membership. There are eight historically black Greek organizations at West Georgia College - four fraternities (Alpha Phi Alpha, Kappa Alpha Psi, Omega Psi Phi, and Phi Beta Sigma) and four sororities (Alpha Kappa Alpha, Delta Sigma Theta, Sigma Gamma Rho, and Zeta Phi Beta). The Black Greek Council coordinates the activities of these organizations and serves as a mediator to insure cooperation. The Council also promotes and maintains high academic standards and provides activities for social interaction.

At designated times throughout the course of the academic year, the individual organizations sponsor a program designed to make interested students aware of the basic ideals, purposes and philosophies of that particular group. The programs also inform the students of the advantages of Greek life. In addition, the programs familiarize the students with the requirements for joining and the standards for membership. For additional information, the interested student should contact the Assistant Director of Student Activities for Greek Life at (404) 836-6526.

# Sororities

A sorority is a home away from home; a group of girls who make your adjustment to college life a little easier. Sisterhood, beginning the day you become a pledge, is a term that is difficult to explain yet is the basis of every sorority. Sisterhood results from sharing dreams, goals, laughter and tears. Sisterhood provides you with lasting friendships and memories that will enrich your college years and which you will cherish many years to follow.

Along with sisterhood come other very important elements of sorority life, such as scholarship and leadership. Sorority women stress the importance of academic achievement through various scholarship programs. As a pledge you are encouraged to study with others in the same major so that the more experienced women can help if you have a problem. Chapter scholarship awards are also part of this picture.

Sorority members may accept membership on various committees within the sorority as well as others on campus. Members are encouraged to assume leadership of committees by serving as chapter officers. Sororities work together on charity projects as well as community and campus affairs to increase school spirit as well as increase student participation in all campus affairs.

We can't stop there . . . other important elements of sorority life include sporting and social events. Intramurals between sororities provide friendly competition among the women. Flag football, volleyball, soccer and basketball are just a few! Remember . . . anyone can play. Sororities are involved in social events such as formals, Greek Week and banquets just to get you started; but there are many more!

I hope that you will have begun to get an idea of what sorority life is all about. Rush Week will give you the opportunity to view all of the sororities . . . ask questions! Whatever sorority you choose as your home, the friendships you form will be strong and lasting and will build memories you'll cherish a lifetime.

# Fraternities

Becoming a member of a fraternity can be a great college experience. No other group at West Georgia College can offer you the brotherhood, interfraternal camaraderie, and social activities that a fraternity can.

Fraternity members are highly visible on campus and that is due to the opportunity for campus and community involvement that Greek life provides. Many local, regional, and national charities have benefitted from the thousands of dollars and man hours that are donated by our chapters. Joining a fraternity is a life commitment, Greek alumni always have a place to call home, and college men to call brothers. Alumni brothers are regularly informed if IFC and chapter events through financial support to the chapter. Presidents, senators, successful businessmen and celebrities have said that being Greek gave them the leadership qualities and confidence to succeed.

Greek life has been beneficial to many people. They chose to become Greek because of the opportunity to meet and socialize with others who had similar interests, to improve academic progress, and to develop lasting friendships. Through IFC Rush, you have the opportunity to make that same choice. Best of luck in finding the fraternity that's right for you!
